#### Fair Housing and Fairhaven

NAR's [Fair Housing Action Plan](#),  
abbreviated 'ACT,' emphasizes  
(A)ccountability, (C)ulture Change,  
and (T)raining in order to ensure  
America's 1.4 million REALTORS®  
are doing everything possible to  
protect housing rights in America. On  
November 18, 2020, NAR launched  
[Fairhaven.realtor](#)— an innovative  
online simulation training, where  
agents work against the clock to sell  
homes in the fictional town of  
Fairhaven, while confronting  
discrimination in the homebuying  
process. During the training,  
learners also walk in the shoes  
of a homebuyer facing  
discrimination. The training provides  
customized feedback that learners  
can apply to daily business  
interactions. Please take the time  
to investigate the Fairhaven  
simulation.
