#### Coronavirus Slows Home Searches

Worries about the coronavirus are leading to fewer homebuyers searching in the marketplace, as well as some listings being delayed, according to a survey of REALTORS® taken last week. [Read more,](#)

#### State by State Coronavirus Effect

As the number of coronavirus cases continues to increase, many states are undertaking measures to minimize the spread of the virus through social distancing measures. [Find out](#) how each state is being affected.

#### Robocall Curbs Signed Into Law

The [TRACED Act](#) expands Federal Communications Commission enforcement authority against robocall offenses with a longer statute of limitations and increased civil penalties.

#### New! Smart Home Podcast

You can share fresh, cutting-edge content with your customers every Wednesday. The [Smart Home Today](#) podcast with Stephen Gasque offers a deep dive into evolving home technologies — from solar panels to smart doorbells. It's content REALTORS® can use to help customers make their homes smarter, safer, more efficient, and more valuable. Gasque is also the popular host of Real Estate Today, the weekly radio show that makes REALTORS® the heroes of the home sales process. Subscribe to Smart Home Today wherever you get your podcasts. Plus, we'd love to talk with tech-savvy members: If you are knowledgeable in the areas of energy efficiency, mobility assistance, or smart-home devices, contact Stephen, [sgasque@nar.realtor](mailto:sgasque@nar.realtor).

#### Podcast Covers Broker Basics

[Brokerage Basics and Beyond](#) is the topic of the latest podcast from the Center for REALTOR® Development. Download and listen to it and then share it with your friends.
