Refis Would Help Many Owners

Homeowners who purchased property as recently as a year ago could reap significant financial benefits by refinancing today. Eighty percent of mortgages originated in 2018 have an interest rate at least 0.75 percentage points higher than today's 3.4% average. And those are hardly the only homeowners who may want to consider a refinance.

Taking Charge of Finances

You can take charge of your finances using the [Center for REALTOR® Financial Wellness](#).

There you can explore tools and calculators that address the common financial planning concerns that REALTORS® encounter. You can also design a personal savings plan, calculate your monthly expenses, and create your ideal budget.

FAQ's on Trumps GSE Reform Plan

Fannie Mae and Freddie Mac have been under federal conservatorship since 2008. Will a new Trump Administration proposal for ending the conservatorship gain traction? NAR's answers the most pressing questions on housing finance reform.

Why Owning Makes People Happier

Most Americans have no regrets about buying a home. In fact, it's made them happier, a new survey shows. 93% of Americans say they are happier after buying a home, and 83% would never go back to renting, according to a new survey of nearly 2,000 consumers. Share [the news](#).

REALTOR Safety Webinar

Join a REALTOR® Safety Program webinar Sept. 17th. You'll hear tips to reduce your risk of being targeted by predators.
